

Remarks:

In Reply to the Notice of Non-Compliant Amendment of March 22, 2004, applicants hereby re-submit the amendments to the claims using the correct status identifier "previously presented" for claims 9, 10 and 21. Since claims 1-18 and 21 were indicated in the Official Action of December 23, 2003, as being allowed, the cancellation of claims 19 and 20 places this application in condition to be forwarded to issue.

Respectfully submitted,

A. James Richardson
